Building Healthy Sustainable Cities in the Era of COVID-19 & beyond...

1. Setting the Scene

2. Role of Intersectoral Action

3. Planetary Health Foresight

Cities are so important!

Policy Relevant Action

Lagos

ESSEX

LAGOS REQUISITES STRATEGY

Influencing private sector & embed health into new developments

Young people need to be at the heart of how we find ways forward

Think globally, act locally

Mindset Change

Design cities as places of wellness & a good life

Health & sustainability

Short & smart cities & smart rural areas

How to speak the language of resilient cities & a language financiers understand

Jobs for all & where you want to work

Resilience

`
